*Sr Division **Graduate – Adult Program

This exemption is assuming that the above players are still **Youth Players** living anywhere in Ontario. Exemption status does not carry over from the **Youth Program to the Adult Program**. All exempt players **MUST** pay their membership dues on or before the zone shoot for their area. Players must be a member of a youth league unless geographically it is not possible.

Please remember players that placed in the top four of Junior's from last year and are now Senior's can still claim their exemption in singles only.
